

2017 Panther Marching Band

Registration

It's that time of year again! The Panther Marching Band staff is planning an incredible 2017 season. We want YOU to be a part of the action! Last year the Panther Marching Band was the Pennsylvania State Champion in US Bands Group IV Open competition and placed 2nd at the National Championships held at MetLife Stadium! This year we will be performing a *Twilight Zone* themed show that is sure to be even more exciting!

In order to appropriately plan the show, we need all members to complete the registration form by **Friday, May 12**. By registering, you are committing that you want to be part of our awesome 2017 team!

Please carefully review the Summer Rehearsal schedule on the opposite side of this paper. We do expect that Panther Band members attend every summer rehearsal but we CAN and WILL make accommodations for you if you have family trips planned. Please e-mail all potential summer conflicts to Mr. Santanello AND Mr. Parker as soon as possible at jsantanello@qcsd.org and fparker@qcsd.org
